

INFO251 – Applied Machine Learning

Lab 1
Emily Aiken

Announcements

- This and future labs: In-person + livestream
 - Lectures:
 - In-person and livestream starting at 10:05 tomorrow
 - On zoom only next week
 - PS3 due Monday (2/21)
 - Add/drop deadline on Friday (2/18)
-

Topics

- Coding challenge: revisiting computational efficiency
 - Train-test splits
 - Cross validation
 - Bootstrapping
 - Normalization and standardization
-
